

# Middle School Brochure Contest

Printable copy

The aim of this contest is to stimulate interest in American History in support of the established school curriculum.

This contest is directed at students in the 6th, 7th, 8th or 9th grades, depending on which year the American Revolution is taught in their educational system - including ecumenical and home schooled students. If the American Revolution period of American History is technically not specifically covered during these middle school grades, an entry will still be accepted for the competition by the state society. In the case where the local school system, or its equivalent, teaches the American Revolution period of American History, the young person must enter the contest through the school and not as a separate entry. In the case where the local school system does not teach this period of American History, the student may enter through their local Sons of the American Revolution Chapter.

Prizes are as follows: 1st Place - \$300 Cash; 2nd Place - \$200 Cash; 3rd Place - \$150 Cash; 4th and 5th Place - \$100 Cash. The cutoff day for entering at the Local Chapter level is February 1st.
