

TEXAS SONS OF THE AMERICAN REVOLUTION
122ND CONVENTION ~ SAN ANTONIO
AT THE EL TROPICANO RIVERWALK HOTEL

SILENT AUCTION

Every chapter is encouraged to provide at least one item for the silent auction. The item should be one that will generate interest and promote multiple bids. The item should have a value of not less than \$25.00.

The items may be brought to the convention, rather than shipped. We must know well in advance the description of the item, its value and who the donor is. It would be helpful to have a photograph of the item when sending the other information.

In addition to the chapter donations individuals are also encouraged to make donations to the silent auction. The same procedure will be followed as for the chapter donations.

If not bringing the donation to the convention then send items to:
