Bluebonnet Chapter #41
August 3, 2020

All,

As you all are aware the issues and closures associated with COVID-19 have caused Bluebonnet Chapter #41 to cancel our April and May 2020 meetings. As it stands, now, our September 2020 meeting is in jeopardy.

Should the COVID-19 restrictions be lifted in time for the September meeting, President Greco will send out a notice advising the date, time and place.

April and May, 2020 our Chapter's meetings were canceled due to COVID-19. The only activity during these two months are the Treasurer's Report.
