"The Bonhomme Richard"

FRENCH FUNDS HELPED TO FINANCE JOHN PAUL JONES AND OTHER PRIVATEERS

The diplomatic abilities of Benjamin Franklin helped to obtain aid from France which permitted Jones and others to continue to attack British shipping. His ship was named for Franklin's "Poor Richard's Almanac."

Voices of the Revolution

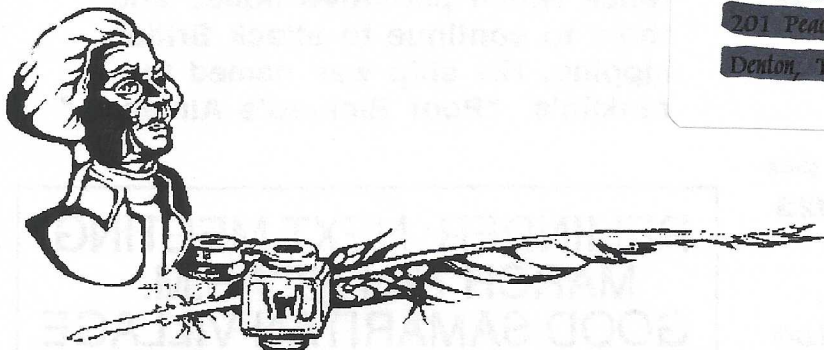

"The history of our Revolution will be one continued lie from one end to the other. The essence of the whole will be that Dr. Franklin's electrical rod smote the earth and out sprang General Washington. That Franklin electrified him with his rod-and thenceforward these two conducted all the policies, negotiations, legislations and war." John Adams
